A LETTER FROM PRESIDENT & CEO JOHN FINK

Aloha Donors & Community,

For Aloha United Way and our nonprofit partners, 2021 was a year of dizzying highs and devastating lows. We welcomed the year ready to turn the page on a pandemic that not only changed so many lives but took them.

AUW's 211 Statewide Helpline was a voice in the void for anyone trying to navigate getting vaccinations, boosters or determining eligibility. Specialists were there for those without internet access, supporting state initiatives as wide-ranging as vaccination pushes to identifying safe locations to isolate and quarantine. As many celebrated what seemed to be a re-opening, utility, rent, mortgage, and food needs persisted as AUW and nonprofit partners continued to help fill the gaps and shine a spotlight on what long-term recovery means.

The ALICE Conversation Series brought nonprofit partners and community stakeholders to the table to discuss next steps in the wake of the pandemic. New partnerships blossomed and momentum was building around legislation meant to support Hawai'i's working poor. The ALICE Strategic Planning Sessions convened more than 70 stakeholders to plan for the future of ALICE. That road map was the result of AUW's research, leadership, and relationships.

- More than 88,000 AUW 211 Resource Helpline Requests and 27,000+ unique visitors to AUW211.org
- More than \$12M invested in helping our community recover
- \$6.8M provided for rent, utilities, and childcare
- \$1.7M to ALICE Initiative and Safety Net partners
- Supported 344 partner agencies
- More than \$25,000 raised by AUW affinity groups who were inspired to give

John Fink
President & CEO

ALOHA UNITED WAY ADVANCES THE HEALTH, EDUCATION, AND FINANCIAL STABILITY OF EVERY PERSON IN OUR COMMUNITY BY BRINGING TOGETHER RESOURCES, ORGANIZATIONS, AND PEOPLE.

OUR ROOTS

Aloha United Way was originally established by Frank C. Atherton as the United Welfare Fund, under the Chamber of Commerce, in 1919 to create a more efficient way of distributing charitable giving.

LEADING WITH EQUITY

We believe that diversity, inclusion, equity, and justice are essential for a healthy society. It is our responsibility to actively practice and promote these values and condemn all forms of discrimination in our daily work.

TODAY AND TOMORROW

Both AUW and Hawai'i have changed over the years. Today, Aloha United Way is an advocate, connector, partner, and resource. We have evolved to become one of the most impactful and innovative organizations in Hawai'i, leading the work to improve lives for generations to come.

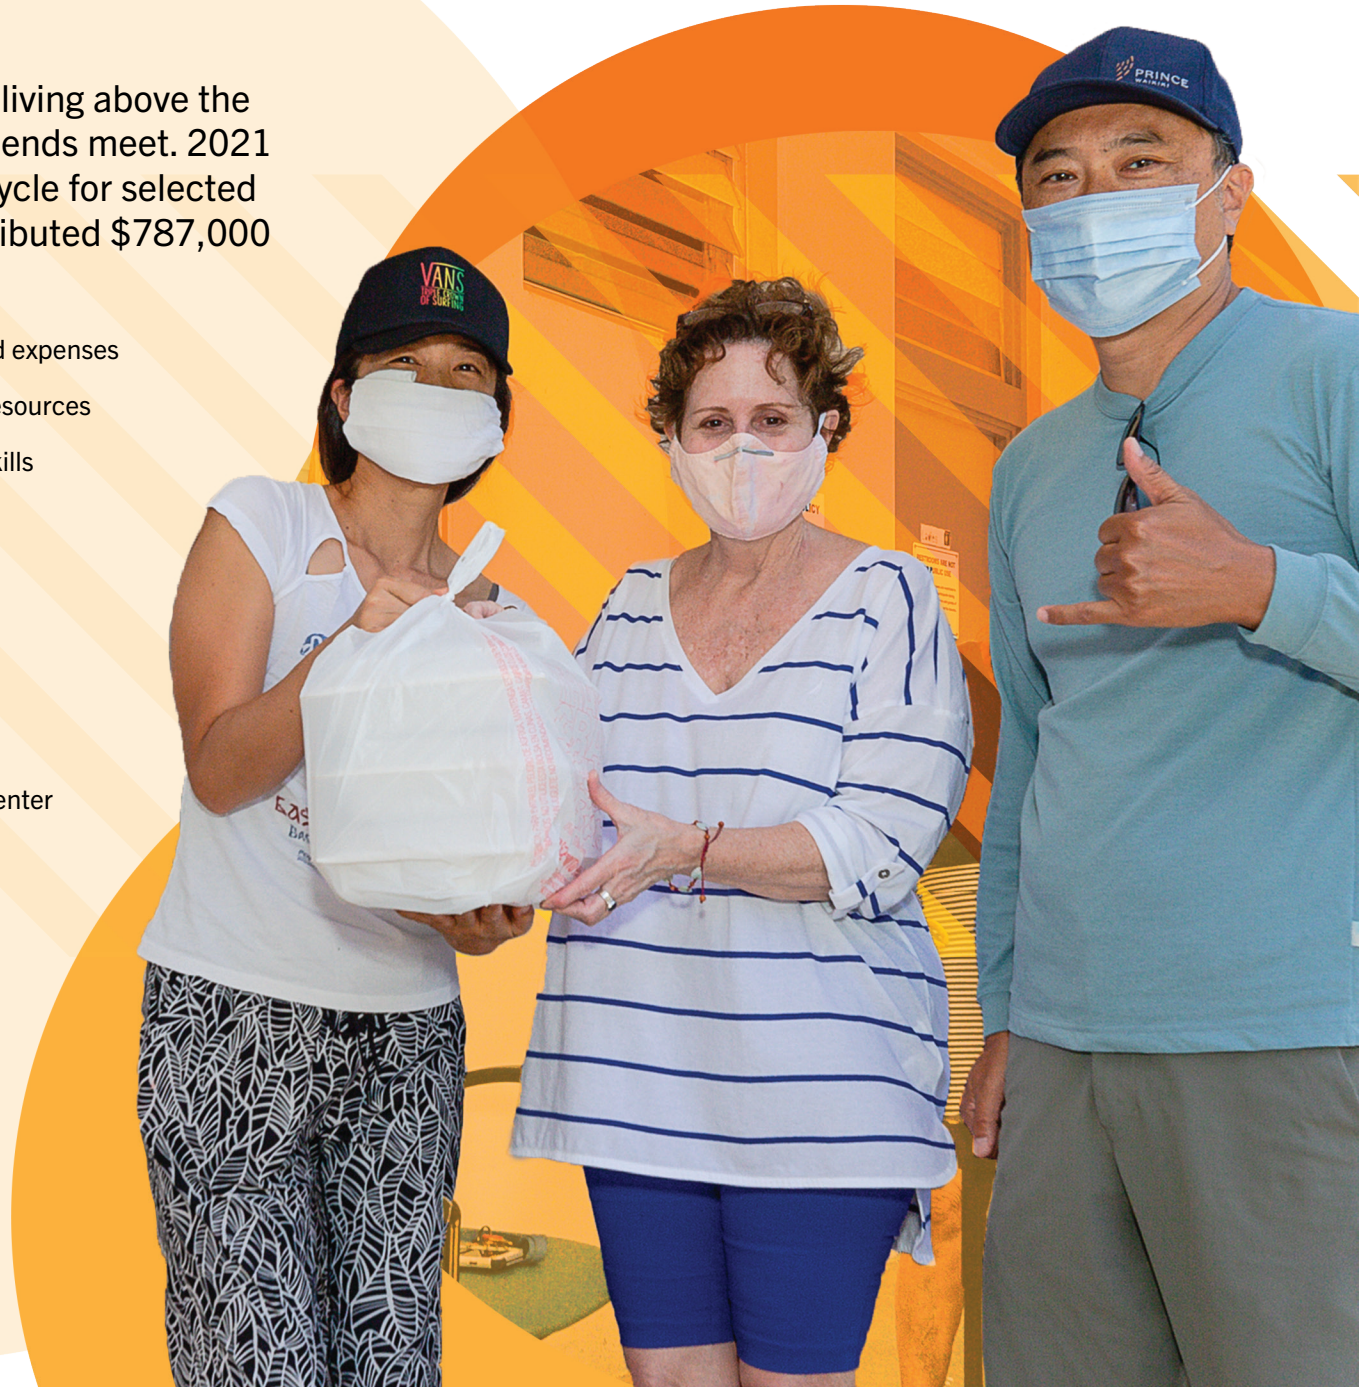

THE A UW ALICE FUND

fuels systemic change for working families living above the federal poverty line but struggling to make ends meet. 2021 was the final year in a three-year funding cycle for selected nonprofit agencies. Aloha United Way distributed \$787,000 in grant funding to support:

- Increasing earning potential and reduction of household expenses
- Improving access to benefits and existing community resources
- Supporting development of financial literacy and soft skills

THE FOLLOWING AGENCIES WERE AWARDED THREE-YEAR GRANTS

- Council for Native Hawaiian Advancement
- Feed the Hunger Foundation
- Goodwill Industries of Hawaii, Inc
- Hawaii Children's Action Network/Hawai'i Appleseed Center for Law and Economic Justice
- Hawai'i HomeOwnership Center
- Hawaiian Community Assets Inc.
- Honolulu Habitat for Humanity
- Kokua Kalihi Valley Comprehensive Family Services
- Parents and Children Together
- Waikiki Community Center

MOVING FORWARD TOGETHER

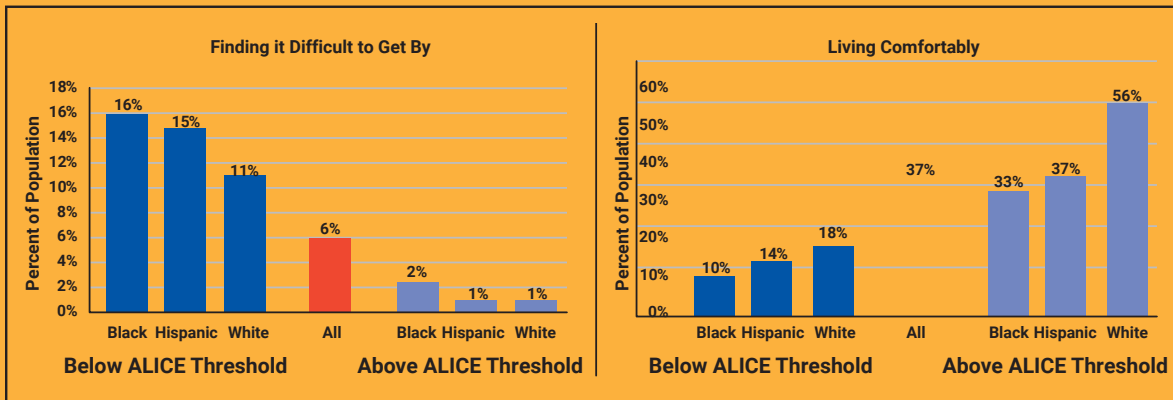

The ALICE grantees and AUW shifted quickly to respond to changing needs in 2020, and 2021 was also a tumultuous year impacted by stalled recovery. The Pandemic Divide: An ALICE Analysis of National COVID Surveys was released late in 2021. Data showed that ALICE households, already vulnerable before the pandemic, were impacted heavily, though households below the ALICE threshold suffered far more.

“Together, the survey results show that households below the ALICE Threshold fared significantly worse than households above the Threshold — financially, physically, and emotionally — during the pandemic.”

ALICE Conversations: Moses' Story

This month Moses and his two daughters will move into their brand-new home thanks to Honolulu Habitat for Humanity.

ALICE Conversations: Eline's Story

Crystal has assisted Eline and her husband Felix with everything from organizing tax forms to sorting out medical bills.

ALICE Conversations: Ona's Story

Local nonprofits "actually build stability. They build family," said Ona Salis, now a homeowner after years of family homelessness compelled him to call A UW who connected them to Honolulu Habitat for Humanity. Salis, his father, and his siblings went without stable housing for many years following a medical diagnosis that impaired Salis' father's ability to work. "If it wasn't for them, we wouldn't be standing here today," he said in an interview with HI Now.

ALICE Conversations: Janice's Story

Janice always thought she had terrible luck with money and it caused her to worry. "It was impossible for me to save for emergencies. I just don't have much income." It's hard to feel like your livelihood and home are secure without any savings.

The ALICE Conversation Series was held virtually in June, July, and August 2021. Aloha United Way hosted three distinct sessions that covered the latest cross-sector collaborative efforts to improve community conditions, the vision for the future, and how to get involved in the work. Nonprofits funded through the AUW ALICE Fund presented information and led discussions with community members.

SESSION 1: ALICE - OUR FRIENDS, NEIGHBORS, AND OHANA

A look at supporting the future success of our communities through collective impact work.

Presenting agencies: Aloha United Way, Feed the Hunger Fund, Kōkua Kalihi Valley, Parents and Children Together and Waikīkī Community Center.

SESSION 2: ALICE IN THE COVID-19 ERA

How partners are guiding policies and practices to help families weather the crisis and what data suggests for the future.

Presenting agencies: Aloha United Way, Council for Native Hawaiian Advancement, Goodwill Hawaii, Honolulu Habitat for Humanity, Hawai'i HomeOwnership Center.

SESSIONS 3: ALICE - INNOVATION AND LEGISLATION

Working toward solutions requires innovation and vision to recognize contributing factors and address underlying and systemic issues. How do we inform policy decisions to affect positive change for this growing portion of our population? Legislative policies and priorities were discussed for the upcoming legislative session.

Presenting agencies: Aloha United Way, Hawai'i Children's Action Network, Hawai'i Appleseed, Hawaiian Community Assets

In the fall and winter of 2021, more than 70 nonprofit and community stakeholders convened to discuss the future of ALICE work the collective impact process. The group worked to identify areas of greatest opportunity to influence systems-level change moving forward.

SESSION 1: ALICE COMMUNITY STRATEGIC PLANNING MEETING

Understanding the collective impact framework and our roles for impacting ALICE most effectively. The group gained a better understanding of collective impact work and how it is different from a traditional grant model.

SESSION 2: ALICE COMMUNITY STRATEGIC PLANNING MEETING

Nonprofits participated in a session to identify key stakeholders and barriers to advancing systemic change in Hawai'i.

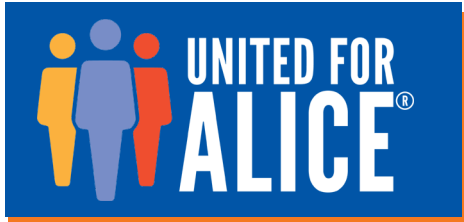

SESSION 3: ALICE COMMUNITY STRATEGIC PLANNING MEETING

Participants identified common resources, goals and experience while working to understand how shared goals and development of asset maps can improve ALICE systems.

SESSION 4: ALICE COMMUNITY STRATEGIC PLANNING MEETING

As part of the collective impact process, future work depends on creating impact-based strategies and shared measurements for performance. The group worked through what this would theoretically look like over the next three years.

The strategic planning sessions and conversation series before it directly informed how work in 2022 would proceed for ALICE households.

The ALICE Initiative's three-year cycle of work ended in 2021 and the 10 nonprofit agencies below, through innovation and versatility were able to bring about incredible change for ALICE Households. Some of the programs developed under the ALICE Initiative will continue and grow, providing the foundation for greater, population-level impact.

THE FOLLOWING PARTNER AGENCIES WERE AWARDED THREE-YEAR GRANTS FROM THE ALICE® FUND FOR 2019, 2020, AND 2021.*

Council for Native Hawaiian Advancement

Increase Earning Potential Program - Establishes an institute as a pipeline to middle-skill careers that do not require post-secondary degrees. Serves people in different career tracks.

Feed the Hunger Foundation

Program: Family & Economic Development Center

Impact: Engaged ALICE households to build skills using the bridges out of poverty model. There were 52 total participants in the program and 96% of participants reported greater financial stability and/or reduced debt after one year. Job retention and increased earning potential was also reported by 92% of participants after one year.

Goodwill Industries of Hawaii, Inc.

Career Pathways Program - Partners with UH community colleges and vocational training providers to support ALICE clients to access post-secondary education, job readiness training, financial literacy, job placement, job retention services, and tax assistance.

Hawaii Children's Action Network (HCAN)

Program: ALICE Policy Hui

Impact: Working to advance policies and legislation to benefit ALICE Households, HCAN as well as Hawai'i Appleseed worked collaboratively during the 2021 session to pass three bills and one resolution in support of ALICE Families. The Working Families Coalition conducted more than 80 meetings and "talk-story" sessions and mobilized nearly 8,000 actions (testimony, media, letters) on ALICE priority issues resulting in one of the most impactful legislative sessions in recent history.

Hawaiian Community Assets Inc.

Financial Opportunity Centers - Establishes centers in Honolulu and Waianae to provide bundled services to ALICE families over 3 years. Public and private partnership services include financial coaching, career and small business training, access to public benefits, match savings accounts, and loans.

Hawai'i HomeOwnership Center

Program: Financial Capabilities and Soft Skills Pilot Program

Impact: This pilot program offered financial literacy workshops and individualized coaching sessions for ALICE households. The program gave 348 participants access to foreclosure prevention services during a critical period. In an effort to build savings and strong money-saving habits, a pilot matched savings program was created. The program has proven successful with 15 participants establishing matched savings accounts.

Honolulu Habitat for Humanity

Affordable Home Ownership in Waimanalo - Changes lives by providing families access to affordable housing, works with community volunteers to construct homes, and offer ongoing financial literacy support.

Kokua Kalihi Valley Comprehensive Family Services

Program: Elder Care Legal Program

Impact: Strengthened resilience of ALICE kūpuna households and their caregivers in Kalihi. Through this program, individuals received individualized career training to become caregivers. As caregivers they are able to meet a demand for care and receive training, as well as a new and more profitable career path. Nearly 80 kūpuna received care that they deemed, "very satisfactory" from ALICE respite workers who were earning higher wages than previously reported. Quality of life improved for not only kūpuna, but their caregivers, as well.

Parents and Children Together

Family and Economic Development Center - Leads discourse in the community on upstream and downstream effects of poverty. Partners with cross-sector employers to upskill ALICE employees. Develops referral networks among employers.

Waikiki Community Center

Senior Employment Project - Partners with businesses to create an employment agency focused on job skills training and employment placement for individuals age 50+.

*ALICE grantees used their 2020 funding to rapidly retool their efforts to meet immediate community needs that emerged as a result of the Coronavirus pandemic. Examples of this: meal delivery services, employment resource services, virtual case management for families.

ALOHA UNITED WAY 211

2.1.1

Aloha United Way

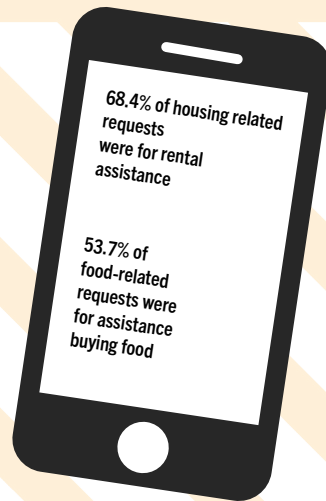

As our community continued to adjust to another year of the pandemic, AUW's 211 statewide resource helpline offered support for people accessing rental relief, access to food, COVID-19 support services, and everything between. More than 88,000 requests were made and 27,000+ individuals visited AUW211.org looking for help. Below, you'll see a few trends that emerged in 2021.

CALL VOLUME BY CATEGORY

DID YOU KNOW?

43% of education requests are for school supplies.

Kūpuna comprise nearly a third of all 211 users. Kūpuna Call Center was initially designed to address COVID-19 needs, but offers much more.

AUW 211: A COMMUNITY RESOURCE

AUW211.ORG is available online for our entire community to access and search. The new search site was launched in 2022.

211 IS OPERATED BY AUW AND IS THE ONLY SERVICE OF ITS KIND.

- Four of the top 10 websites referring traffic to AUW211.org are local and state government websites
- Every time a new COVID-19 change is announced, traffic and calls increase.
- Natural disasters result in higher call volume.

REAL-TIME DATA

Community members, nonprofits, government agencies and the business community can view and search data in close to real-time. That means better response and coordination of efforts. There is no dashboard or resource like it in Hawai'i.

DISASTER RESPONSE

AUW's 211 is a member of **VOAD** or **Voluntary Organizations Active in Disaster**. When emergencies occur, we respond. We are the conduit for emergency services and act as the primary referral center during any type of crisis.

COVID-19 RESPONSE

The COVID-19 Pandemic has required rapid response, flexibility, and compassion. Our 211 Specialists adapt to an ever-changing environment to give the most accurate information and resources available.

SAFETY NET

1 DISASTER/CRISIS

Provides a broad range of assistance for individuals and families experiencing crisis with a goal of returning the household to stability. The category includes medical care, mental health services, substance abuse treatment, family violence services, and community disaster response.

2 RENT/UTILITY

Provides rent (or mortgage) and utility financial assistance. Agencies may pay rent, security deposit, mortgage, and utility expenses to landlords or providers on behalf of eligible clients.

3 FOOD

Provides access to food pantries, food banks, food delivery services and served meals programs.

4 SHELTER

Provides housing and related support services including emergency, transitional, and permanent housing.

5 TWO-YEAR GRANTS

Supports startup or pilot programs; programs/services with a higher degree of complexity; initiatives with a greater number of stakeholders or partners; initiatives that require substantial time planning; and new programs that are projected to be financially self-sustaining after the initial two years.

Each year, Aloha United Way provides Safety Net funding to agencies working to provide basic human needs and support people experiencing crisis. In 2020, AUW invested \$750,000 into 27 agencies that are working in the following five areas of need:

PARTNER AGENCIES

Aloha United Way worked with 344 partner agencies in 2021 and provided more than \$6.8M in rental, utilities, and childcare assistance. Partner agencies benefit by receiving funds allocated by individual donors and workplaces that AUW cultivates to support their work. As a benefit to donors, we conduct thorough research and manage a partner agency list filled with some of the most impactful nonprofits in the community. The list includes agencies from the neighbor islands and United Way counterparts on those islands, as well.

As a convener, we bring everything together from agencies and research to funding and communication networks. Our nonprofit partners are committed to change and we are there to support their work and to provide leadership and resources to make the impact of every action greater.

We helped our partner agencies in 2021 by investing more than \$12M in our community and by providing tools, reports, and opportunities to exchange ideas and leverage their work with other agencies in our network.

Note 1:

In 2021 and 2020, Aloha United Way, Inc. (AUW) provided a variety of COVID-19 assistance programs. These programs provided rent, mortgage and/or utility assistance for Hawai'i renters and homeowners who experienced economic hardship and/or reduction in income due to the pandemic. Two of these programs were funded by the Federal CARES Act and administered in collaboration with the State of Hawaii, the City & County of Honolulu, along with nonprofit partner agencies. Additionally, AUW administered the Department of Hawaiian Home Lands (DHHL) COVID-19 Emergency Rental Assistance Program, which provided rental assistance for eligible Native Hawaiians (who were on DHHL's waiting list as of 12/31/2018) and experienced a loss of income or job as a result of COVID-19. This program provided a rental security deposit and/or rent payments for up to 12 months. In 2021 AUW also administered the Hawaii Utility Bill Assistance Program with Hawaiian Electric which helped Hawai'i residents who were behind on their electric, water, sewer and gas bills.

Combined, AUW paid out approximately \$7 million in 2021 and \$27 million in 2020 for COVID-19 assistance programs

In 2021 and 2020, Aloha United Way, Inc. (AUW) was awarded a grant under the Continuum of Care (CoC), which is funded by the U.S. Department of Housing and Urban Development (HUD), Permanent Supportive Housing. Of the \$5,548,580 granted by HUD in 2021, approximately \$3,490,000 was expended and earned in 2021. Of the \$5,418,356 granted by HUD in 2020, approximately \$3,596,000 was expended and earned in 2020 and \$1,635,000 was expended and earned in 2021.

Note 2:

AUW's Form 990 and audited Financial Statements are available upon request.

Note 3:

In 2021 and 2020 AUW's chief administrative personnel are John Fink, President & CEO; Suzanne Skjold, COO; Norm Baker was Interim President and CEO for the first half of 2020.

Would you like to create a lasting legacy while planning for your future and that of your loved ones? A planned gift to Aloha United Way can provide critical, ongoing support to our poverty-fighting initiatives. Join us to help struggling Hawai'i residents create brighter futures for themselves and their families for generations to come.

FIRST, WHAT IS A PLANNED GIFT?

A planned gift can be as simple as naming Aloha United Way as a beneficiary in your will, trust, retirement plan, life insurance policy or other financial accounts. Planned gifts are added to our Endowment Fund, a permanent capital reserve that supports our work today, tomorrow and for generations to come. When you make a planned gift to AUW, you become a member of our **Ānuenue Legacy Society**.

WHAT ARE SOME GIFT OPTIONS?

- Retirement Accounts including IRAs
- Life Insurance
- Wills & Trusts (bequest)
- Stock and Real Estate - using appreciated property to fund a planned gift
- Life Estate (valuable property you use during lifetime with arrangements to give to charity upon death)
- Charitable Gift Annuity (CGA) (income producing)
- Charitable Remainder Trust (CRT) (income producing)
- Charitable Lead Trust (CLT)
- Donor Advised Fund (DAF)

WHAT DOES A PLANNED GIFT OFFER?

- A legacy that will impact generations to come
- A way to honor someone else's life and name into the future
- Potential for lesser tax burdens for family
- Potential estate tax savings

ĀNUENUE LEGACY SOCIETY

Rainbows may be a daily occurrence in Hawai'i, but each one is special, bringing beauty into the lives of all touched by it. As a member of the Ānuenue Legacy Society, you will have the opportunity to attend special behind-the-scenes events at Aloha United Way and to connect with others who have chosen to make a planned gift.
